## 'LEAGUE' IS TOPIC AT MEN'S SUPPER

Discussing "The Immediate Problems of the League of Nations" before the Men's Supper meeting in Wesley Hall, Sidney, Dr. A. O. MacRae declared, on Wednesday evening, that the problem of the League was not the much talked of Disarmament of even Manchuria with its resulting Chinese-Japanese fighting, but rather of European politics. Tracing, in masterly fashion, the difficulties that confronted the League, the speaker expressed himself as realizing the extreme gravity and fatefulness of the situation but at the same time believed that there were grounds of hopefulness that were very significant and promising. The difficulties occur because in Europe there is a recrudescence of the Alsace-Lorraine situation, only in a more aggravated degree, in the case of Germany, Hungary and even Italy. The vanquished have been crushed and limitations of armaments have been imposed on understanding that armaments would be lessened by the victors, which promise has not been fulfilled. That the failure of the United States to back Woodrow Wilson is also one of the major difficulties that the League suffered from, was the opinion of Mr. MacRae. Lack of physical and moral support rendered to the League by the signatories is also a limitation of the effectiveness of the League. Policies of Europe, however, rather than anything else, is what the League has to contend with, said the speaker, but the entry of the United States, even though not a member of the League, into the discussion over China and Japan was not without the promise of results in the whole situation. The creation of a world community, internationalism rather than nationalism, is the supreme task before us all and there is no more effective place than the school to bring this about.

Forty men sat down to supper and then participated in a very interesting discussion of the speech following a period of neighborly conversation on the address. Rev. Thos. Keyworth was in the chair.

## ASSOCIATION HAS FIFTY-SIX LIVE MEMBERS

By Review Representative  
GALIANO ISLAND, Feb. 17.—A very representative gathering of the people of Galiano Island took place at the Galiano Hall on Wednesday evening, Feb. 10, for the sixth annual meeting of the Galiano Island Development Association, a strictly non-political organization founded in March, 1926, for the purpose of officially dealing with all matters of public utility, and for the development of the locality upon beneficial lines to the community.

The chair was taken shortly after 9:30 p.m. upon the conclusion of the public meeting called in connection with the first Agricultural and Industrial Show, held upon the island last year by Capt. Ivan G. Denrbche. The president stated that some useful work had been accomplished during the past year, although, owing to the financial stringency, the efforts of the association had not been as successful with the Dominion Government in the matter of the mail service to the North End of the Island as had been hoped. This, however, was in no way the fault of the association and a tremendous amount of correspondence had been handled upon this and other matters by the secretary. The association had placed seats upon the Government Wharf, and also by the Wharf Post Office for the use of residents and visitors waiting for boats and mail. A new stove had been provided in the Postal Office.

## Many Patrons At Fifteen Cent Store

As usually happens, friend met friend at the Fifteen Cent Store on Saturday afternoon, and after making their purchases enjoyed a social half hour over a cup of tea.

Business in the store ran high from the very moment that the doors were opened at 3 o'clock to the time that the last article found a buyer. The stall of articles with prices up to 15c was in the hands of Mrs. J. Ramsay, who was assisted by Mrs. T. Keyworth and Miss Rhoda Craig.

Tea, which was served from a table decorated with hearts, was supervised by Mrs. J. E. McNeil, while six girls from the C.G.I.T. group, in their trim middie and skirts, passed the refreshments to the guests.

Another item of attraction during the afternoon was the program, which consisted of piano solos and recitation.

## WILL PLAY AT SHAWNIGAN

The regular monthly meeting of the North Saanich Little Theatre Association was held last Thursday at the Chalet, Deep Cove.

An invitation to bring a play to Shawnigan was read and it was decided to produce three short plays there at the end of April.

A special meeting will be called shortly to read parts in the play "Op O My Thumb," which the association is entering in the B.C. Drama Festival.

Mrs. Burns gave a talk on the construction of the drama based on Shakespeare's "Macbeth" which proved highly instructive and which was thoroughly enjoyed.

After the meeting, dainty refreshments were served.

It is hoped that Mr. Dilworth will address the next regular meeting, which will be held at the home of Mrs. H. G. Smith, Saanichton.

## TRADE BOARD REVIEWS PAST YEAR'S WORK

The annual general meeting of the Sidney Board of Trade was held last evening, when the president, Mr. David Lyle, presented his report of the work of the last year. Regret was expressed at the loss of several members during the past year, including two of the most respected members who died in 1931, Mr. G. E. Goddard, and Mr. G. C. Wemyss. Mr. Wemyss had been for many years auditor to the Board and Mr. Goddard was vice-president of the board at the time of his death.

In the course of his report, Mr. Lyle stated that in view of the general adverse business conditions throughout the country, business and employment compared favorably with other rural areas during this difficult period.

He mentioned that the lumber mill at Sidney had been in continuous operation, and that the local cannery had increased both its plant and its output during 1931.

There had been a normal addition to the population of the district, and many new residences had been built and several were at present being constructed, he said, instancing also the number of new businesses started in Sidney recently.

He reviewed the progress of the tourist business and stated that the ferries operating from Sidney had handled a normal amount of traffic, whilst the new East Spring Island ferry service had done even better than was expected.

The only fire losses in the district last year included a small fire at the Sidney Lumber Co. Limited, and the fire which destroyed the Ford Production.

## PLANT GOOD SEED POTATOES

In order to prevent inferior quality of potatoes from being sold as "Seed Potatoes," regulations have been passed, under the Destructive Insect and Pest Act, by the Federal Department of Agriculture, which read as follows:

"In the case of potatoes, no person shall be allowed to sell or offer, advertise or hold in possession for sale, any potatoes in any manner or form described or designated as certified, inspected, registered, selected, disease-free, or otherwise indicating their suitability for seed or seed purposes, unless such potatoes have been inspected in the field and after harvest by an inspector under the Destructive Insect and Pest Act and have been found sufficiently vigorous and free from serious diseases to warrant them being classed into either of the two following grades, viz: Certified Seed Potatoes, Grade Extra No. 1, or Certified Seed Potatoes, Grade Small Sized (1 1/2 to 3 oz. only).

To each container of certified seed potatoes there must be durably attached a certificate in the form of an authorized official tag, issued by an inspector, and bearing the grower's name or number."

All other potatoes that are offered for sale must be labelled as "Canada No. 1, Canada No. 2, or Canada No. 3," according to the grades as specified in the Fruits and Vegetables Act.

These regulations have been passed at the request of the majority of the potato growers in Canada, who believe that selling poor quality potatoes for "seed purposes" is very detrimental to the potato industry. Poor quality seed produces low yields and poor quality crops, reducing the demand and the price received. It is necessary to know that the plants which produced the seed were healthy, as several very serious diseases of potatoes can be detected by an inspection of the plants in the field during the growing season.

It has been claimed too often that many other potatoes sold for seed purposes "are just as good as certified seed." In order to compare results obtained from planting the different grades of seed many experiments have been conducted. An experiment with "certified vs. non-certified" seed conducted over a three year period shows that, on the average, the certified seed produced two tons per acre more of marketable potatoes than the non-certified seed. The samples of certified seed were obtained from different growers and the samples of non-certified seed were obtained from farmers whose exhibits had won prizes at the Seed Fair. The same ten varieties were used in each case and in the experiment all were grown under the same conditions.

Anyone in this province who wishes information regarding the production of certified seed potatoes, or where this seed can be obtained, should write to H. S. MacLeod, District Inspector, Laboratory of Plant Pathology, Saanichton, B.C.

## PIONEER GIRL LAID TO REST

Funeral services of Miss Bernice Brethour, who passed away in Vancouver on Sunday, Feb. 7, took place on Wednesday. The cortege left Sand's Funeral Chapel at 1:15 o'clock, continuing to the United Church, Rev. Thomas Keyworth officiating. The hymns sung were "Safe In The Arms Of Jesus" and "Lead Kindly Light." Many relatives and friends attended the services and the cortege was covered with beautiful floral tributes.

Those acting as pallbearers were R. B. Brethour, W. Munro, W. R. Jones, E. Braden, A. Wilson and G. E. McLean. Interment was made in the Brethour Cemetery.

## 18,000-MILE 'PHONE CALL

Establishing a world's record for distance travelled by a telephone call, Vancouver talked with Melbourne, Australia on Thursday, Feb. 11. The circuit used was approximately 18,000 miles long. No commercial telephone call ever travelled so far before.

At the Vancouver end of the history-making conversation was R. G. Marshall, president of Marshall and Dawson, Ltd., importers and exporters, 97 Water Street. He spoke from his residence to T. L. Stafford, managing director of the Rosella Preserving and Manufacturing Company, Ltd., Melbourne, Australia.

When the call was put through it was 7:15 a.m., Thursday, in Vancouver, and 1:15 a.m., Friday, in Melbourne, so that while Mr. Marshall in Vancouver was talking to "tomorrow," the man in Australia was talking to "yesterday."

The conversation lasted for about eight minutes. Both men commented on the excellence of the transmission.

A combination of physical telephone circuits with two radio links made the conversation possible. Mr. Marshall's voice was carried from Vancouver to New York by land lines, across the Atlantic to London by radio, then via another radio circuit from England to Sydney, Australia, and by land lines to Melbourne.

The call originated in Vancouver. Marshall and Dawson, Ltd., are Canadian representatives of the Rosella company, Australian fruit packing concern. Mr. Marshall said he placed the call to "strengthen our business and friendly relations by hearing each other's voice by telephone."

## Service Club Banquet Next Wednesday, 24th

The North Saanich Service Club will have as their guests on the evening of Wednesday, Feb. 24, at 7 p.m., the members of the Gyro Club of Victoria, on which occasion a banquet will be held in the club hall on School Cross Road.

The Gyro Club will supply the principal speaker of the evening and one-half of the entertainment. The remainder of the entertainment will be provided by the North Saanich Service Club.

The evening in question will be under the direction of Mr. A. Sansbury, and as it is anticipated that a large number of residents will be desirous of attending this function, and as the accommodation is limited, it is requested that participants purchase their tickets as early as possible.

## MOVIE SHOW DREW CROWD

A crowded house resulted in the announcement of seven reels of moving pictures to be shown in Wesley Hall on Tuesday evening last under the auspices of the Young People's Society of St. Paul's United Church.

The pictures, which were shown by Mr. Stickleby, of Victoria, and consisted of a trip across the continent and the Atlantic Ocean aboard the Aquitania, thence through England and Scotland, finishing up on "The Dude Ranch of Montana."

"The Alfalfa Symphony," of local fame, gave instrumental selections during the intermissions while a song was contributed by Rev. Thos. Keyworth.

The proceeds will materially augment the funds of the society.

## GALIANO ISLAND MAKE PLANS FOR ANOTHER SHOW

By Review Representative  
GALIANO ISLAND, Feb. 17.—A public meeting was held at the Galiano Hall on Wednesday, Feb. 10, for the purpose of receiving the report of the special committee appointed last year for the conduct of the Island's first Agricultural and Industrial Show, which proved to be so outstanding a success.

Capt. Ivan G. Denrbche was elected as chairman of the meeting. He stated that this gathering of the public had been called that a full statement might be made regarding last year's show; that it should be decided whether or not a similar event should take place this year and in the event of its being the desire of the people to have another show then to select a committee for its conduct who would be protected against any individual liability in the event of the show being run at a loss. Last year the committee were individually responsible, which was not as it should be in giving their time and work in carrying out a public desire. Happily through the very generous help and assistance given upon the part of several members of their community the committee had been able to conclude the show of 1931 with a balance in hand. He then asked the secretary-treasurer, Mr. W. Miller Higgs, to read the minutes of the last public meeting, which upon motion of Mr. O. H. New, seconded by Mrs. W. W. Thomas were adopted as read. The financial statement was also presented by Mr. Higgs, having been duly audited by Mr. Paul Scoones, J.P., and found correct, which showed the total receipts as amounting to

## "They're Off!"—In Old Quebec

The Eleventh annual Eastern International Dog Sled Derby—crowning event of the 1932 Winter Sport season—is scheduled for February 22-24. For those three days, all eyes turn to Quebec City, where each day the fight between the best dog teams in America over a course of 40-odd miles a day is staged. Emil St-Godard, Leonard Seppala, hero of the rush with diphtheria serum to Nome a few years back, are among the contenders, of whom last year there were eleven and this year there will likely be even more. In all, the race covers a distance of 123 miles and the finish is in Quebec itself through crowds of thousands of fans, lining the streets and cheer on the victor.

Handsome cash prizes are awarded, but this year interest is much above the usual. St-Godard who has won the race four times in the last five years, has two legs on the Speed Cup and another win this year will give it to him permanently. Seppala has two legs on the Gold Cup for the best conditioned dog and stands to win it permanently this year. Prizes total \$2,150 with a first prize of \$500; second prize, \$300; third prize, \$200; then \$200, \$100, \$75, \$50 and \$25 in that order. In addition there is the Gold Cup for the best conditioned dog and the Speed Cup awarded to the team making the fastest time for a lap during the three days of racing.

The event winds up with the Dog Derby Costume Ball held at the Chateau Frontenac, the Canadian Pacific's great hotel, on Wednesday, February 24 at which prizes and cups are awarded to the winners.

The picture shows: Upper left, typical huskie, and right Chateau Frontenac, Quebec. Below, center, last lap of the race and lower right, Emil St-Godard and his lead dog, Toby.

**SIDNEY LOCALS AND PERSONALS**

The monthly meeting of the Guide and Brownie Association will be held on Tuesday, Feb. 26, in the Guide and Scout Hall at 3 p.m.  
Mrs. H. H. Shade is progressing favorably after her recent operation at Rest Haven, and her friends will hope to see her home soon.  
Friends of Mrs. D. Norbury will be pleased to hear that she has returned home from Rest Haven, where she has been a patient for the past week.  
The many friends of Captain Nat. Gray, Saanich postmaster, will be pleased to know that he is progressing favorably at the Jubilee Hospital, where he is a patient.  
Members of the Canadian Girls in Training group, with a number of friends, enjoyed a jolly Valentine social on Friday evening.  
Among the latest settlers in the North Saanich district is Mr. Kirby, of Rochester New York, who has purchased the property of Mr. Jack Munt, on King's Road.  
Mrs. Dempsey, of Seattle, is in Sidney at the home of her sister, Mrs. H. H. Shade.  
Beatrice Lidgate was taken to Rest Haven Hospital last week, where she is receiving treatment.  
Mr. R. L. Robison returned today to his home in Vancouver after spending a couple of days at the home of his sister, Mrs. H. O. Homewood.

**SATURDAY SOCIAL EVENING**  
Progressive 500 was played at the North Saanich Service Club on Saturday evening, on which occasion the prizes were awarded to Mrs. Smerthurst and Mr. G. Wardle.  
After refreshments had been served a varied program of music for dancing was provided, including old time dancing, which was responded to by participants with much enthusiasm.  
**MILITARY 500 FEB. 27**  
The Ladies' Auxiliary of the North Saanich Service Club will hold another military 500 at the club hall on Saturday, Feb. 27, similar to the one held last month, which met with evident success.

**HALL FUNDS AUGMENTED**

By Review Representative  
MAYNE ISLAND, Feb. 17.—There was an excellent dance held at Mayne Island Hall, given by the residents of Sarnia Island, the proceeds to go to building themselves a hall. It was very well attended and everyone had a splendid time. One of the special features was a contest for the best old time waltzing. Mrs. Hawthorne and Mr. G. Georgeson, of Galiano, were the winning couple and won some nice prizes, and were heartily applauded. There was also a lovely tray, kindly made and donated by Mrs. McLeod, which was raffled and brought in a nice sum, and a ham which was also raffled. There was excellent music, the musicians being Messrs. P. Georgeson, G. Georgeson, J. Neill and W. Ryan.  
A very generous and delicious supper was served by the ladies from Sarnia Island. They hope to give another dance next month and a third in April. We wish them great success in their undertaking and feel sure the dances will be well patronized.

**MANY ATTEND LOCAL FANCY DRESS DANCE**

The fancy dress dance held last week at the local Service Club rooms was a very gay and jolly event, this being the annual St. Valentine's dance of the club. There was quite a large attendance and the dance was enjoyed by the many visitors from outside points as well as local fans. The music supplied by the three-piece orchestra from Victoria was well received and added zest to the occasion.  
The committee responsible for the success of this affair consisted of Mrs. W. Beswick and Miss Annie Lorenzen, with Mr. W. Beswick as convener.  
Mr. and Mrs. George Maynard and Miss Shirley Maynard acted as judges, and after considerable consideration awarded prizes as follows: Best dressed gentleman, French-Canadian trapper, Miss Seymour; best dressed lady, old-fashioned lady, Miss Annie Lorenzen; best national, Indians, awarded to Mr. and Mrs. Oakes; best sustained character, lady's, Big Ben, Miss M. Thornley; best sustained character, gentleman, "The Absent-Minded Professor," Mr. A. Sansbury; specials: Canadian nurse, Mrs. A. Bowman; Hindu, Mr. L. Ricketts, and Valentine, Mrs. Mark Courser.

**9TH ANNUAL CARD PARTY**

The Catholic Ladies of South Saanich are planning to hold their ninth annual 500 and social evening on Tuesday, March 29, in the Agricultural Hall, Saanich, and they hope to surpass all future events of this nature. A large and enthusiastic crowd is looked for.

**McINTYRE CHECKER BOARDS** — A new patented board that makes the game of checkers different. The only radical change in design of board made in thousands of years. Each player uses 14 men, instead of 12 as on the old board; there are no double corners, but a zone in the centre of the board gives the same amount of protection as the double corner on the old board. We have a nicely printed copy of this new game on strong, heavy red-colored paper, with checkers printed on the same material that can be cut out for playing the game; a wonderful pastime for bright children, and they have the fun of cutting out the checkers. The cost? 15c per board or two boards for 25c, postpaid. Large, substantial boards for adults, 17 x 17 inches, without checkers, \$1.00 postpaid. Review, Sidney, B.C.

## YOUNG PEOPLE ENJOY SUPPER

Meeting around the supper table on Monday, 18 members of the Young People's Society enjoyed the evening meal together. The fare, which consisted of macaroni and cheese, bread and butter and chocolate cake with whipped cream, was put away in short order by the hungry crowd.

Following supper a short business meeting was held. The program outline for the next four months was submitted to the society and was adopted as read. Three candidates for membership were proposed and admitted to the society. Initiation services will be held next week.

The next meeting will be addressed by Mr. E. Forster, principal of the North Saanich High School, his subject being "The Scientific Outlook."

## PLANS MADE FOR THE YEAR

By Review Representative  
**PENDER ISLAND, Feb. 17.** — The February meeting of the Women's Institute was held in Port Washington Hall and presided over by Mrs. F. Moore. Reports of the executive meetings and plans for the coming year were given by Mrs. L. Auchterlonie, and much correspondence was dealt with. A short talk and demonstration on "Life-Saving" was then given by the president, which proved very helpful. During the tea-hour Adjutant Sharpe, of the Salvation Army, gave a brief address on the work done by that great organization, and a donation to their funds was given by the members of the Institute.

The young people of the Island are preparing a program for presentation shortly, and rehearsals for their play are being held.

Two large devil-fish were caught and disposed of at Hope Bay wharf on Saturday during a struggle between the two ugly monsters.

Mrs. O. E. Dobree was a guest last week of Mr. and Mrs. Every, of Lulu Island, returning home on Thursday.

A very happy time was spent on Monday evening at the home of Mrs. A. H. Menzies, when her C.G.I.T. group entertained at a mother-daughter banquet. Those present included Mrs. A. Symes, Mrs. B. G. Amies, Mrs. C. G. Hamilton, Mrs. J. S. Stiggins, Mrs. Moore and Mrs. S. S. Peat, and the Misses Mary and Ruth Peat, Beatrice Brackett, Elah Symes and Evalene Hamilton.

Mrs. W. B. Johnston spent last week in Vancouver as guest of her brother and sister-in-law, Dr. and Mrs. A. M. Menzies.

Mr. Jolliffe, of Cranbrook, and Mr. Alston are spending some weeks on the Island, during which they are occupying the home of M. Stout at Boat Harbour, while he is staying in Victoria.

The afternoon's activities, which were put on by the United Church Sunday School, netted quite a handsome sum, and those in charge wish to express their appreciation to one and all who were responsible for making the event the success it was.

Proceeds will be put towards the fund, already started, to put a new floor in the basement of the church where primary children of the Sunday School meet.

\$263.20 and disbursements of \$241.62 (of which amount \$121.75 had been paid out as prizes), leaving a balance in hand, after all expenses had been met, of \$21.58.

Upon motion of Mrs. Cyril Morgan, seconded by Mr. R. N. Heryet, it was carried that a show be held in 1932, and upon motion of Mr. A. Lord, seconded by Mr. O. H. New, it was agreed that the show be similar in character to that of last year. It was further unanimously agreed upon a motion presented by Mr. Paul Scoones and seconded by Mr. Donald A. New, that the show be conducted by a committee appointed by this public meeting who would stand behind the committee appointed.

Mr. Scoones requested that the chairman ask each member of last year's committee if they would be willing to again act. Captain Denroche declined to act himself though he stated he would be willing to assist in any way he could and then asked, in turn, each member of last year's committee. Mrs. Keith Brown, Mrs. Miller Higgs and Mrs. York being again willing with Mr. Keith Brown, whilst Mrs. W. W. Thomas with Messrs. E. H. Bambrick, S. Page and Miller Higgs declined.

It was then proposed by Mr. A. Lord and seconded by Mrs. Page that the 1932 committee be nine in number. This was carried.

The following members of the community were then nominated to act: Mrs. Keith Brown, Mrs. Miller Higgs, Mrs. F. York, Miss Rosamond Murcheson, Messrs. Keith Brown, A. Lord, Vincent Howard and Ronald Page were chosen and unanimously elected to act.

Some discussion followed in order to secure the ninth member, whereupon Mr. Paul Scoones urged that some one of the "Old Stalwarts" upon last year's show would reconsider the decision not to act and again render valuable help. Mr. O. H. New moved that Mr. Miller Higgs change his mind and this was urged by Mrs. W. W. Thomas, Mr. O. H. New embodying in his motion "A hearty vote of thanks to Mr. Miller Higgs with a vote of confidence to him for the future."

acts plant at Roberts' Point. The president pointed out that the Sidney Volunteer Fire Brigade did excellent work on both these occasions, and referred to the efforts of the board to re-organize the fire brigade during the last year, which was satisfactorily accomplished.

Mr. Lyle also mentioned that through the efforts of the board much work was done in the following matters: The local pound, the street lighting of Sidney, matters relative to improvement of roads and wharves, unemployment, publicity, etc. He stated that following combined effort, the Provincial Government had now recognized Rest Haven as a public hospital eligible for the grants under the Hospitals Act, and that finally the Dominion Parks Board had defined Shoal Harbour and Roberts' Bay to be a bird sanctuary under the Dominion act relating to game reserves. Both these matters have had the strong support of the Board of Trade.

He also spoke of the continued connection of the board with the Associated Boards of Trade of Vancouver Island, and of the work done in that connection. Mr. Lyle expressed his thanks to the treasurer and to the secretary and to the various committees for the efficient manner in which they had carried out their duties.

Enough Said!

PHONE 40 SIDNEY

A packed house witnessed the play "The Time of His Life," presented by Fairfield Players' Club, on Monday evening, in the Auditorium, Sidney.

The play was centred round the visit of Mr. and Mrs. Peter Wycombe to Mrs. Grey, who lived in New York, and the many complications that set in drew forth peals of laughter from the audience. Mr. Wycombe, described as a pessimist with a digestion, suffered with almost every ailment known, and is worthy of mention as the outstanding actor in the play.

Mr. Tom Carter, masquerading as Uncle Tom, the colored butler, was also very suited to the difficult part he had to portray.

The play throughout brought out the very best performing ability of the artists and was greatly enjoyed by the crowded house.

Before the play and during acts the local "Alfalfa Symphony" rendered selections and received well merited applause.

Also assisting during acts was Miss McDonald, who gave two lovely solo dances in costume, "The Egyptian Dance" and "Fairy Dance."

The evening's entertainment was under the auspices of the War Memorial Park Association and a share

of the proceeds will be added to the park improvement fund.

The artists were entertained to luncheon at Wesley Hall after the show, by the park committee.

The cast of characters were as follows:

Uncle Tom—An old colored butler from the south—Douglas Nixon.

Tom Carter—Mrs. Grey's brother—Denis Humphries.

Mrs. Grey—Grace Keefe.

Dorothy Landon—Secretly engaged to Tom Carter—Dorothy Siddall.

Mr. Peter Wycombe—A pessimist with a digestion—Harry Eke.

Mrs. Peter Wycombe — Wife of pessimist—Thelma Schroeder.

Mr. James Landon — Dorothy's father, peppery disposition — James strang.

Mr. Bob Grey—Don Fish.

Officer Hogan—Gordon Fish.

## Sidney Social Club

Another large turnout of members and friends enjoyed themselves at the meeting of the Sidney Social Club in the Guide and Scout Hall, Tuesday evening, Feb. 9. Thirteen tables of players participated in military 500, two tables with scores of 24 chips cut to decide the winners, with the following winning first prize: Mrs. T. R. Lidgate, Mrs. W. Hadley, Mr. W. Watson and Mr. Wilson. Second prize went to Messrs. F. Godfrey, J. Storey, W. Hayward and T. R. Lidgate.

Play commences at 8:15 p.m. and all friends are welcome.

## GALIANO ISLAND BRIDGE TONIGHT MAKE PLANS FOR AT DEEP COVE ANOTHER SHOW

(Continued from Page Three.)

Mr. Higgs stated that he more than appreciated the sentiment which prompted the mover and seconder in their desire to have him again act and in reply said that only upon the one condition that everyone present in the hall would in no way knock the show, and that all would get behind the committee in their heavy task to make the 1932 show a real success would he consent to alter his decision to retire from the committee. There being no dissenting voice, the chairman put Mr. O. H. New's motion, which was carried unanimously and Mr. Higgs was duly elected to the committee.

A very sincere vote of thanks was moved by Mr. E. H. Bambrick, seconded by Mr. Miller Higgs, to Mr. Paul Scoones for all the assistance he had given to last year's show. This was carried with applause.

Upon motion of Mr. O. H. New, seconded by Mr. J. M. Linklater, the date of the 1932 event was left in the hands of the committee with the provision that this be arranged amicably with the Mayne Island Show committee. Carried.

Mrs. Bambrick moved that a vote of appreciation of all the work so ably given by the retiring members of last year's show committee be accorded. This was seconded by Mr. R. N. Hervey and carried unanimously.

Upon motion of Mr. Cyril Morgan, seconded by Mr. W. W. Thomas, the meeting then adjourned.

at the Wharf and firewood supplied for same. Some financial support had been given to the Galiano Cemetery Committee for the proper upkeep of the local cemetery. Transportation facilities to and from Galiano had been a careful consideration of the association, and a number of illustrated folders of the locality had been distributed during the year.

The minutes of the last annual meeting were then read and duly endorsed. The financial statement presented by the secretary-treasurer showed the association to be in a very sound condition with a paid up membership of 56. The total receipts amounted to \$109.36 and the disbursements came to \$66.27, which left a balance in hand of \$43.09. Mr. Miller Higgs called attention to the fact that their president, in conjunction with Mr. O. H. New, had done a great deal during the past summer for all those who were interested in catering to visitors by the operation of the M.L. "Crest" between Gali-

The many friends of Mrs. Finlay Murcheson will be glad to know that she has been able to return to the Island after her critical operation, and is making steady progress towards full recovery.

Mr. Stewart Williams, of Victoria, was a guest of Mr. and Mrs. W. Miller Higgs at "The Haven" over the weekend.

Mr. W. Miller Higgs leaves for Vancouver next Tuesday to preside over the annual meeting of the B.C. Fox and Fur Farmers' Association Inc., which takes place at 8 p.m. on Wednesday, 4th, in the spacious Board Room of the Province Building, kindly loaned to the association by the Vancouver Daily Province. It is expected that fur farmers, and those interested in this industry, will be present from many parts of British Columbia.

ano, Mayne, Montague Harbour, Ganges and Sidney on days when the C.P.R. Coast Service did not make it possible for visitors and residents to easily reach Victoria or to travel from Victoria to these islands. The idea had been to act as a feeder to the C.P.R. Coast Service and it was shown by figures of traffic as given by Mr. O. H. New to the meeting that this service had been working in co-operation with the C.P.R. Over 200 passengers were conveyed during July and August. A special dance last Easter had been arranged at the hall in aid of the funds of the association by Mrs. Wortley Bellhouse and Mrs. E. H. Bambrick and this had netted no less a sum than \$44.90, and the association had expressed to these ladies very sincere appreciation for supporting its work in this way.

A hearty vote of thanks was moved by Mr. O. H. New, and seconded by Mrs. Bambrick to Mr. Miller Higgs for all the work he had done during the past year in the interests of the association and the community. This was carried unanimously.

The following officers for 1932 were elected:

President — Capt. Ivan G. Denroche.

Vice-President — Paul Scoones, J.P.

Secretary-Treasurer — W. Miller Higgs.

Executive — Messrs. J. M. Linklater, E. H. Bambrick, Alfred Cayzer, O. H. New, Vincent Howard, Stanley Page, L. T. Bellhouse, and C. E. S. Jackson (Montague Harbour District).

Mr. Cyril Morgan, J.P., was appointed auditor for the ensuing year.
